*Maddie's Fund is a family foundation funded by PeopleSoft Founder Dave Duffield and his wife, Cheryl, to help create a no-kill nation. The first step is to help develop programs that guarantee loving homes for all healthy shelter dogs and cats throughout the country. The next step will be to save the sick and injured pets and animal shelters nationwide.*

*Maddie's Fund is named after the family's beloved Miniature Schnauzer who passed away in 1997.*
